Proceedings of the Madras Government, Revenue Department,
27th September 1866.

No. 649. Read the following Proceedings of the Board of Revenue, dated 18th September 1866, No. 6,671.

Read again letters from the Collector of Cuddapah, dated 6th and 24th April 1866, Nos. 48 and 64 respectively, recorded in Board's Proceedings, 15th April 1866, and 29th June 1866, Nos. 2,553 and 4,446.

Read also the following letter from the same Officer, dated 17th August 1866, No. 126 :—

1. With reference to the Board's Proceedings of the 29th June 1866, No. 4,446, I have the honor to enclose a docket,* received from the Superintending Engineer, giving his opinion on the value of the Cutcherry erected by the Deputy Collector, Royappah Pantulu, at Jammulamadgoo.

* Dated 7th August 1866, No. 1,267.

2. The building is also far more adapted for an European Officer's Cutcherry than either of my Assistants have here.

From the Superintending Engineer, Third Division, to the Collector of Cuddapah, dated Bellary, 7th August 1866, No. 1,267, of 1866-67.

Your docket, No. 514, of 9th ultimo. Informs that the Supervisor in charge of the Proddatoor Range reports that the building in question is worth purchasing for Rupees 712, and from the plan of the building considers that the Supervisor's opinion is correct.

1. Ordered that the foregoing letters be submitted for the consideration and orders of the Right Honorable the Governor in Council.

2. In their Order, dated 20th October 1864, No. 1,924, Government sanctioned the erection of a Cutcherry at an estimated cost of Rupees 2,920, at Jammulamadgoo, instead of at Chintaguntah for the Deputy Collector on general duties, whose head-quarters had been removed from the latter to the former place. As, however, no funds were available at the time, the construction of the building was postponed.

3. The Collector now reports that the Deputy Collector, Royappah Pantulu, has erected a building at his own expense at Jammulamadgoo for the use of his Cutcherry; that he has inspected it, and found it very commodious, and better adapted for an European Officer's Cutcherry than the Offices that either of his Covenanted Assistants have at Cuddapah, and that the Superintending Engineer considers it worth the price at which the Deputy Collector is willing to sell it.

4. Under these circumstances, the Board support the Collector's recommendation that sanction be granted for the purchase of the building for the Deputy Collector's Cutcherry for Rupees 712-4-0, the actual cost incurred by Royappah Pantulu in its construction.

No. 650. ORDER THEREON, 27th September 1866, No. 2,610.
