Proceedings of the Madras Government, Public Works Department, 10th October 1866.

No. 220. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 26th September 1866, No. 45 :—

1. I have the honor to solicit the sanction of Government for the following transfer of allotment :—

From Kistna	RS.	*To Nellore*	RS.
Trunk Road No 7, Estimate Rs 88,708, current year's grant Rs. 6,000, Budget Item 115	2,360	Constructing an embanked road and masonry works across the Musunur valley on Trunk Road No 6, Estimate Rs. 68,630 ; current year's grant Rs. 15,000, Budget Item 116	2,360

2. The Musunur valley work is now in full progress, and there is every prospect of the current year's grant + the amount now applied for being entirely expended before 31st March next. The latter sum is needed in order to keep on the working parties till the end of the official year, and to prevent deterioration of chunam and other materials collected for the purpose. The work on Trunk Road No. 7, in the Kistna District, is nearly at a stand still, owing to the difficulty of procuring carts, workmen, &c., at present, and the Range Officer reports that the abovementioned sum can be spared for other works.

No. 221. ORDER THEREON, 10th October 1866, No. 3,220.
