Proceedings of the Madras Government, Public Works Department, 11th October 1866.

No. 262. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 5th October 1866, No. 2,483 :—

1. With reference to the Order of Government No. 3,111, dated 1st October 1866, I have the honor to report, that the tiffin-room in connection with the Presidency College is now half finished.

2. The building is required to be used, in the first instance, as an Office, and therefore was proceeded with in anticipation of sanction.

3. Under these circumstances I trust that Government will allow the building to proceed, and will grant funds to the extent of the estimate, *Rupees* 2,640, being diverted from the allotment, *Rupees* 30,000, from the main building.

No. 263. ORDER THEREON, 11th October 1866, No. 3,241.

ACCOUNT, No. 33.

* Sanctioned in G O No 3,148, dated 4th October 1866.

As it is understood that there will be a very considerable saving on the estimate of Rupees 6,871* for filling in the ground round the new Presidency College, the Government have no objection to the outlay on the tiffin-rooms referred to in this letter being charged against the grant for the main building.
