Para. 7. In the Ordnance indent, received with your Military letter, No. 354 of the 25th October 1865, a demand was made for a table for circular saws. This has been procured and shipped to your Presidency per *Copenhagen*.

10. In the same case, are six saws for a "general joiner," which Messrs. Worssam and Co. have supplied for the Madras Public Works Department, under an indent, No. 1238, dated 22nd January 1866. These saws should be handed over to the Public Works Department at Madras, to await the arrival of the "general joiner," which was shipped on the same vessel as the table for circular saws, *viz.*, the *Copenhagen*.
