MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General... Here enter 13th August 1866, No. 499.
Report from the Controller of Mily. Accounts... „ 18th Sept. „ A.

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 18th August 1866, No. 499; to the Secretary to Government, Military Department, Fort Saint George.

Forwarded to Government for approval. During the continuance of the building and until permanent measures can be devised, His Excellency the Commander-in-Chief recommends that this outlay be sanctioned.

From the Officer Commanding Mysore Division, Head Quarters, Bangalore, 13th August 1866, No. 469; to the Quarter Master General, Head Quarters, Ootacamund.

The Surgeon Major, 16th Lancers, and the Deputy Inspector General of Hospitals, Mysore Division, having strongly advocated that the dry earth system should be introduced into the horsekeepers' latrine of the Regiment, I have the honor to request that you will be so good as to submit the proposition to His Excellency the Commander-in-Chief.

2. The expense entailed would be about Rupees 300, for putting a light-tiled roof over the latrine, and a monthly charge of Rupees 7-15-0 for a filth-cart—the present conservancy establishment being inadequate to the performance of the extra duty.

3. Owing to the great number of work-people employed on the new blocks in course of construction at the Lancers' Barracks, who are compelled to resort to the horsekeepers' latrine, the adoption of some such measure as the one now proposed is very necessary, and I beg therefore respectfully to urge it on His Excellency's consideration.

With report from the Controller of Military Accounts, 18th September 1866, *A.*

ORDER, No. 3465, 4th October 1866.

Sanctioned as requested, in respect of the filth-cart to be provided by the Commissariat Department. The subject of the roof to the latrine in question will be considered in the Department Public Works.
