Proceedings of the Madras Government, Public Works Department, 12th October 1866.

Read the following papers :—

No. 278. Petition from J. M. PALANIYANDI PILLAY, late Draughtsman and Estimator, Second Range Office of the Madura District.

States certain circumstances showing his innocence of the charge that he was implicated in the defamation of the Táluq Overseer Mr. McNab, and requests that, on a re-consideration of his case, he may be restored to his appointment. } (Here enter 21st July 1866.)

No. 279. From the Officiating Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 8th September 1866, No. 913.

1 Petition, with six Enclosures.
1 Copy of letter.

In returning the papers sent to me with Endorsement No. 2,037, of the 15th August 1866, I have the honor to state that I cannot find any correspondence that passed between Colonel Moberly and Lieutenant Coningham on the subject of the dismissal of Palaniyandi Pillay, late Draughtsman in the Second Range Office of the Madura District; with the exception of one letter, No. 1,030, dated 7th September 1864, of which a copy is enclosed, and an endorsement of Colonel Moberly on a petition from Palaniyandi Pillay, dated 18th October 1864; a copy of which I have marked in pencil A among the papers returned with the petition.

From the Superintending Engineer, 8th Division, to the Assistant Engineer in charge of 2nd Range, Madura, dated Madura, 6th September 1864, No. 1,030.

1 I have the honor to request that you will dismiss Palaniyandi Pillay and Rungasawmy Naick, members of your office, as it appears to me quite clear that they are deeply implicated in, if not the actual authors of the proceedings defaming Mr. McNab; and Rungasawmy Naick also in promoting the charge of perjury against Arnachelem Pillay.

2 I have also to request that you will lay the matter before the Sub-Collector, as the evidence given before him which induced him to commit Arnachelem Pillay is utterly false, and I hope that legal proof may be obtained of Rungasawmy Naick's complicity in this transaction

3. There appears to me little doubt that these men are also concerned in the difficulties of which the late Táluq Overseer Rungasawmy Pillay frequently complained, but in general terms.

No 280 ORDER THEREON, 12th October 1866, No. 3,249.

ESTABLISHMENT, No. 24.

1. Ordered that the following Endorsement be passed on the petition above recorded :—

"The Government are unable to interfere in the Petitioner's case after the lapse of so much time since his dismissal, but there is no objection to his re-employment, and the Superintending Engineer should take an early opportunity of re-entertaining him."
