Proceedings of the Madras Government, Public Works Department, 12th October 1866.

No. 293. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 26th September 1866, No. 127:—

I have the honor to request that Government will be pleased to raise the limit of contingent expenditure in the 1st and 3rd Ranges of the Godavery District from 10 to 15 Rupees, this is rendered necessary by the outlay on stationary for boat licenses, returns of traffic accounts, of sales of grass, &c., &c., which are heavier in those Ranges than elsewhere. The excess can be defrayed by savings in other Ranges where 10 Rupees is rarely required.

No. 294. ORDER THEREON, 12th October 1866, No. 3,256.

ACCOUNT, No. 37.

As under the Orders of Government No. 1,195, dated the 18th April 1866, all supplies of paper, country included, should be obtained from the Stationary Depôt at Madras, the Governor in Council sees no reason for complying with this application.
