Proceedings of the Madras Government, Public Works Department, 13th October 1866.

No. 319. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 6th October 1866, No. 2,513 :—

1. I have the honor to request the sanction of Government to the temporary employment of Apprentice Govindoo Row of the North Arcot District on a salary of Rupees 30 per mensem, to be disbursed out of Local Funds, in assisting the Executive Agent, Polur Range, in taking levels, framing estimates, &c., for the several exceptional works which are now in progress in that Range for the purpose of affording relief to the distressed poor.

2. These new duties will oblige the Apprentice to move about, and it is therefore proposed to remunerate him at the rate of Rupees 30 per month, the present permanent allowance of Rupees 13, which will be credited to Government during the term of Govindoo Row's temporary employment, being obviously insufficient.

3. In anticipation of Government sanction, Mr. Bevan has been directed to carry out the arrangement recommended in this letter.
