Proceedings of the Madras Government, Public Works Department, 15th October 1866.

No. 345. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 3rd October 1866, No. 2,080:—

With reference to G. O. of the 28th August 1866, No. 2,716, I have the honor to submit, for the information of Government, the accompanying original letter from the Accountant General, Department Public Works, from which it appears that an Officer in Lieutenant-Colonel Moberly's position in the Department, draws, whilst officiating in another class, the substantive pay of his own permanent appointment and the deputation allowance, calculated in the ordinary manner, as formerly laid down by this Office, he having been re-appointed to the Department subsequent to the 1st October 1865.

1 Enclosure.

From the Accountant General, Public Works Department, to the Controller of Public Works Accounts, Madras, dated Simla, 20th September 1866, No 1,233

1. In acknowledging receipt of your Memorandum No. 1,543, dated 30th August 1866, referring for opinion the case of Lieutenant-Colonel Moberly as to the amount of salary which should be passed to him while officiating as Superintending Engineer, I have the honor to inform you that the amount will depend on the salary he was drawing on the 1st October 1865 (the date from which the maximum rules take effect).

2 If, as it would appear from the Madras Establishment List of 1st January 1866 (page 50), Lieutenant-Colonel Moberly was then an Assistant Engineer, 1st grade, his pay on that date would be—

	Rs.	A.	P.
Pay as Lieutenant-Colonel, R. E.	576	9	0
Staff salary	250	0	0
(a)	826	9	0

On his promotion to Executive Engineer 4th grade (19th December 1865), and again to Executive Engineer 3rd grade (16th January 1866), he would receive no increase to his salary, as the maximum of the 3rd grade is only Rupees 750; but neither would his pay be reduced

3. If then the amount *(a)* is correct, the pay to be passed while he is officiating as Superintending Engineer will be—

	Rs.	A.	P.
Pay of substantive appointment	826	9	0
Officiating allowance	220	0	0
