Proceedings of the Madras Government, Judicial Department,
11th October 1866.

No. 124. Read the following letter from the Inspector General of Police, to the Secretary to Government, Fort Saint George; dated Madras, 6th October 1866, No. 1672.

General Department

I have the honor to submit an estimate and plan for the construction of 22 Police Huts, at Guindy and Home's Gardens in the Madras District, amounting to Rupees 3310, to which I would beg the early sanction of Government. I also enclose an original letter* from the Acting Superintendent of Police, received with the estimate.

* No. 331, 4th October 1866.

2. The huts are much required. The cost can be met, to the extent of Rupees 3200, from the Budget grant for the District. Should the Superintendent not succeed in executing the work from this sum, the small balance will be met by transfer.

From the Acting Superintendent of Police, Madras District, to the Assistant Inspector General of Police, Madras, dated St. Thomas' Mount, 4th October 1866, No. 331.

I have the honor, herewith, to submit a plan and estimate for the construction of 22 Police Huts, that is, 10 Huts at Guindy and 12 Huts at Home's gardens, for the use of the Jail and Treasury Guards respectively, as recommended by the Inspector General, in lieu of a similar number of mud built cabins with thatched roofs, which have gone to ruin and are not worth repair. The proposed new huts are to be strongly and neatly built of brick, and tiled.

2. The plan and estimate have been made out with the assistance of an experienced Engineer Officer, and, although the total amount is in excess of the allotment to the District, I have no doubt of being able to get them built on contract within the sum of Rupees (3200) three thousand two hundred granted for Police Buildings for 1866-67.

3 The estimate does not include doors and windows, but I propose to give those belonging to the Huts, now being replaced, for that purpose, as they are strong and good The roofing materials are of so little value that I propose to let the Contractor have them, to compensate him for the cost of removing the present Huts, and clearing the ground.

4. If the plan and estimate, subject to the above proposals, are approved, I would solicit sanction for the same

---

No. 125. ORDER THEREON, 11th October 1866, No. 1597.

The Governor in Council sanctions the Estimate submitted with the foregoing letter, amounting to Rupees (3310) three thousand three hundred and ten, for the construction of certain Police Huts at Guindy and at Home's Gardens.
