PUBLIC WORKS DEPARTMENT.
FORT SAINT GEORGE,
17th July 1866.

No. 2,252.

No. 373.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

ESTABLISHMENT, No. 38.

1. In May 1863 two Indentured Apprentices were entertained under the Mathematical Instrument Maker who is attached to the Public Works Department of this Presidency, and whose services are of very great importance not only to that Department but also to all others employing scientific instruments, and those lads have benefited so greatly by their training as now to be most useful. The quantity of work sent in to the Mathematical Instrument Maker has, however, so greatly increased in importance and extent as to have become too much for him, and finding that ordinary workmen, after they have received a certain amount of instruction from him invariably seek and readily obtain employment elsewhere, he is anxious to have an additional number of lads bound over for a period of years in order to prevent their deserting him just when most fit to give him assistance, and, as there appears to be no other mode of securing the services of men who have acquired knowledge and dexterity in his peculiar branch of handicraftship, I am directed to submit the usual Tabular Statement, and to request the sanction of the Government of India to the entertainment of the four additional young men therein entered. Meanwhile, as savings are available, the immediate engagement of four lads has been sanctioned in anticipation of a favorable reply to this application.

I have the honor to be,
Sir,
Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

Exd. S. T. Augustin.
