No. 408. Read the following letter from the Secretary to the Government of India, Public Works Department, (Establishment,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 27th September 1866, No. 1,284 E :—

1. I am directed to acknowledge receipt of your letter, No. 2,647 of the 22nd ultimo, forwarding an application from the Deputy Controller of Public Works Accounts, to be placed on the same footing with the Deputy Controllers in Calcutta and Bombay, as respects the privilege of drawing the salary of the next higher grade to his own.

2. The Governor General in Council concurs with the Government of Madras, that if the rule should be extended to the Deputy Controller, all the other Officers at the Presidency would also have a reasonable claim to the additional allowance, and this measure has not been deemed desirable by the Madras Government.

3. I am however to suggest, for the consideration of the Madras Government, as an alternative measure, that the conveyance allowance of Rupees 50 per mensem might be allowed to the Deputy Controller. This would put him on the same footing as an Executive Engineer 4th Grade, as it was intended he should be.

No. 409. ORDER THEREON, 18th October 1866, No. 3,314.

ESTABLISHMENT, No. 36.

1. Communicated to the Controller of Public Works Accounts.

2. The allowance referred to in paragraph 3 having been granted to the Executive Officers at the Presidency for a special purpose, to enable them to maintain extra carriage for the inspection of the numerous works under their charge in various parts of Madras, the Government see no reason for extending that allowance to the Deputy Controller whose duties are confined to his Office.
