Proceedings of the Madras Government, Public Works Department, 18th October 1866.

No. 410. Read the following Proceedings of the Board of Revenue, dated 9th October 1866, No. 7,261:—

Read the following letter from the Acting Sub-Collector, in charge of the Godavery District, to the Secretary to the Board of Revenue, dated Rajahmundry, 25th August 1866, No. 200.

With reference to paragraph 3 of the Order of Government No. 164, dated 7th April 1866, Public Works Department, which accompanied the Board's Proceedings, No. 5,369, of the 4th instant, I have the honor to state that the difference in the estimated cost of the road from Pangidi to Nidadavole, was occasioned by the sum of Rupees 11,380 being entered according to the plan and estimate received from the Superintending Engineer; while Rupees 8,000 were entered in the Supplemental Budget on a mere report from the above officer. This was explained in the remark column opposite to this work in Part I. of the Local Fund Budget for the current year forwarded with Mr. Fraser's letter, dated 21st November 1865, No. 297. An estimate also for this project was sent, as stated in paragraph 2 of the same letter.

Ordered to be submitted to Government, Department of Public Works, with reference to paragraph 3 of their Order, dated 7th April 1866, No. 1,064. The estimate for the work, referred to in this paragraph, was submitted to Government, Revenue Department, and sanctioned by them in their Order, dated 27th August 1866, No. 2,227.
