Proceedings of the Madras Government, Public Works Department,
18th October 1866.

No. 436. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 6th October 1866, No. 2,518 :—

1 Statement.

1. I have the honor to forward a Statement, received from the Executive Engineer, Southern Range, Presidency, showing that a grant of no less than 34,880 Rupees will be required by him for the new works in execution in his Range, in addition to the Budget allotments already made.

2. There are eleven works in all, entered in the Statement, out of which Government have, in the Orders quoted on the column of remarks, already granted permission for three to progress, in the expectation of their being able to provide funds later in the year. These three works are the Foundry, the Penitentiary, and the Gallows, amounting to Rupees 29,870. The remaining Rupees 5,010 are made up of—

Rupees	1,500	required extra for	Bakery.
,,	1,000	do.	do. laying down pipes for General Hospital.
,,	50	do.	do. for large Dome at Observatory.
,,	140	do.	do. for Controller's Office at Chepauk.
,,	2,320	do.	do. for improvement at Government Houses, Madras.
Rupees	5,010		

3. It is, I feel confident, the wish of Government that none of these works should stop ; and therefore I have instructed the Executive Officer to proceed with them, in the hope that funds may be provided later in the year, a measure which, I trust, will meet with the approval of Government.

Statement showing the works which will be completed before April next, and for which further allotment of funds is found necessary.

ACCOUNT, No. 58.

The Government approve of the proceedings of the Superintending Engineer of the 4th Division as reported in this letter. As the year advances, Colonel Boileau will probably be himself in a position to provide the greater portion of the additional sum shown to be required, and the balance will be granted from funds that may be surrendered by other Superintending Engineers.
