No. 443. ORDER THEREON, 19th October 1866, No. 3,331.

CIVIL WORKS, No. 85.

1. With this letter the Superintending Engineer of the 1st Division submits a supplemental estimate amounting to Rupees 232 for carrying out certain improvements to the Principal Assistant Collector's Cutcherry at Nursipatam in the Vizagapatam District.

2. The original estimate amounted to Rupees 312, and was sanctioned by Government in their Proceedings No. 2,378, dated 16th August 1865. Funds were subsequently allotted for the work in the Orders noted in the margin.

No. 2,521, 30th August 1865.
,, 1,995, 25th June 1866.

3. The original estimate was composed of the following items:—

Well, seven feet in diameter	Rupees	145
Boundary hedge round the compound	,,	25
Pandals on two sides of the Court-room	,,	8
Graveling roads and approaches	,,	121
Shed for accommodation of parties attending the Cutcherry	,,	13
	Rupees	312

4. On an examination of the comparative Statement submitted by the Superintending Engineer, the Government observe that it is in contemplation to increase the diameter of the well from seven to sixteen feet at an extra outlay of Rupees 190. There is no change in the other portions of the sanctioned estimate, but the following additional charges are provided for:—

Painting gates of the compound, &c.	Rupees	22
Teak-wood punkah, complete	,,	20

5. The Board of Revenue having approved of these additions and modifications, the Government sanction the supplemental estimate, with the exception of the item for a punkah which is debitable to the Revenue Department under G. O. No. 860, dated 12th April 1859. Authority is granted for the transfer of Rupees 212

from the District allotment for Minor New Works under "Agricultural" to that under "Civil Buildings," to admit of the completion of the work.

6. Colonel Moberly's attention will be called to the curt and unsatisfactory manner in which the estimate under notice has been submitted to Government. No mention is made of the amount of the original estimate or of the Order sanctioning it, and no particulars are given of the allotment for the work, or of the necessity for the proposed additional outlay, and the Government have been left to glean information, as best they can, upon all these points from the enclosures to Colonel Moberly's letter and from the previous correspondence.
