Proceedings of the Madras Government, Public Works Department,
19th October 1866.

No. 472. Read the following Proceedings of the Government of India, in the Public Works Department, (Accounts,) dated Simla, the 4th October 1866, No. 903 A:—

Read Public Works Circular No. 82 of 1866, prescribing the submission of annual "regular" or revised estimates in the Public Works Department.

RESOLUTION.—His Excellency the Governor General in Council observes that a regular or revised estimate of expenditure on Railways from guaranteed capital, and of receipts from Railway traffic earnings, will now be necessary from the Railway Department. This estimate may, however, be framed most conveniently by adding another column to the Annual Provincial Railway Budget Estimate, as shown in the accompanying form, and His Excellency in Council directs that the estimates for 1867-68 and succeeding years, which have now to be rendered by the 15th November, may be framed accordingly.

2. The columns for 'Regular estimate' should exhibit the figures which the local authorities may consider, at the time of the preparation of the estimate, properly represent the expected Railway receipts and expenditure of the year then current.

3. The Governor General in Council takes this opportunity to invite the attention of the Local Governments and Administrations concerned to the necessity which exists for the observance of complete punctuality in the submission of the Railway Budget Estimates on the date prescribed, viz., 15th November. This date must be understood as being the *latest* on which it should *reach* the Government of India at Calcutta, and the Governor General in Council requests that such measures may be taken, by each Local Government, as may appear necessary to ensure that the wishes of the Government of India on this head may be carefully observed.

ORDER.—Ordered that the foregoing Resolution be forwarded to the Governments of Madras, Bombay, Bengal, and Punjab, for information and guidance, and to the Government North-Western Provinces and Chief Commissioner, Central Provinces, for information.

(Signed) C. H. DICKENS, Lieut.-Colonel, R. A.,
Secy. to the Government of India.

SIMLA, *the 4th October* 1866.

READ Public Works Circular No. 8 of 1866, prescribing the submission of annual "regular" or revised estimates in the Public Works Department.

RESOLUTION.—His Excellency the Governor General in Council observes that a regular or revised estimate of expenditure on Railways from guaranteed capital, and of receipts from Railway traffic earnings, will now be necessary from the Railway Department. This estimate may, however, be framed most conveniently by adding another column to the annual Provincial Railway Budget Estimate, as shewn in the accompanying form, and His Excellency in Council directs that the estimates for 1867-68 and succeeding years, which have now to be rendered by the 15th November, may be framed accordingly.

2. The columns for 'regular estimate' should exhibit the figures which the local authorities may consider, at the time of the preparation of the estimate, properly represent the expected Railway receipts and expenditure of the year then current.

3. The Governor General in Council takes this opportunity to invite the attention of the Local Governments and Administrations concerned to the necessity which exists for the observance of complete punctuality in the submission of the Railway Budget Estimates on the date prescribed, *viz.*, 15th November. This date must be understood as being the *latest* on which it should *reach* the Government of India at Calcutta, and the Governor General in Council requests that such measures may be taken by each Local Government as appear necessary to ensure that the wishes of the Government of India on this head may be carefully observed.

ORDER.—Ordered that the foregoing Resolution be forwarded to the Governments of Madras, Bombay, Bengal and Punjab, for information and guidance, and to the Government, North-Western Provinces and Chief Commissioner, Central Provinces, for information.
