MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Officiating Secretary to the Government of India, Military Department, Fort William, 30th August 1866, No. 567; to the Secretary to Government, Military Department, Fort Saint George.

With reference to your letter, No. 2332 of the 7th July last, on the subject of the insufficiency of the rate of house-rent allowed to the Warrant and Non-Commissioned Officers in the Ordnance and Commissariat Departments, I am directed to acquaint you, that His Excellency the Governor General in Council sanctions the grant of the increase proposed, pending the provision of public quarters for them.

2. In this Presidency and that of Bombay, the Public Works Department is required to provide quarters for Warrant and Non-Commissioned Officers in staff employ; and I am to suggest, for the consideration of His Excellency the Governor in Council, whether it would not be well to authorize that Department to provide them for the individuals referred to on the usual terms.

3. In the event of the increased house-rent thus specially granted raising the receipts of any Non-Commissioned Officer above the prescribed limit of 75 Rupees, his claim to the usual subsistence allowance for his family should not be thereby affected.

ORDER, No. 3309, 21st September 1866.

Communicated to the Inspector General of Ordnance and Magazines and the Controller of Military Accounts, with reference to the Proceedings of Government, marginally noted.

Pro. of Govt., *No.* 2331, *7th July* 1866.
" " 2840, 13*th Aug.* "

2. The increased rate of house-rent will, with reference to paragraph 2 of the foregoing letter, be passed on a certificate from the Barrack Master, that the best available quarters for the allowance now sanctioned, and within a reasonable distance from their work, have been secured by the individuals concerned.

3. The Public Works Department will be requested to expedite the submission of the plan called for in paragraph 2 of the earlier Order above quoted, in view to the proposed public quarters being included in the budget for 1867-68.
