Proceedings of the Madras Government, Educational Department,
11th October 1866.

No. 28. Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George; dated Madras, 20th September 1866, No. 1999.

With reference to Order of Government, Public Works Department, No. 1456, of the 5th May last, a copy of which has been only lately communicated to me, I have the honor to submit the accompanying letter from the Acting Principal Civil Engineering College, and to inquire whether Corporal Primm should be struck off the roll of the College.

2. It appears to me that the Corporal should have disconnected himself with the College when his services were first engaged by Mr. Fraser. But, as a hardship would be involved in giving long retrospective effect to his removal from the roll of students, I recommend that the Corporal be struck off from the 1st instant.

From the Acting Principal, Civil Engineering College, to the Director of Public Instruction, Madras; dated Chepauk, 14th September 1866.

With reference to G. O., No. 1456, dated 5th May 1866, I have the honor to inquire whether Corporal Primm is to be struck off the strength of the College on which he is still borne as a Military Student drawing Military pay and rations.

2. If so, a recovery must be made from him of the amount drawn by him from the College since the date of the above order.

No. 29. ORDER THEREON, 11th October 1866, No. 290.

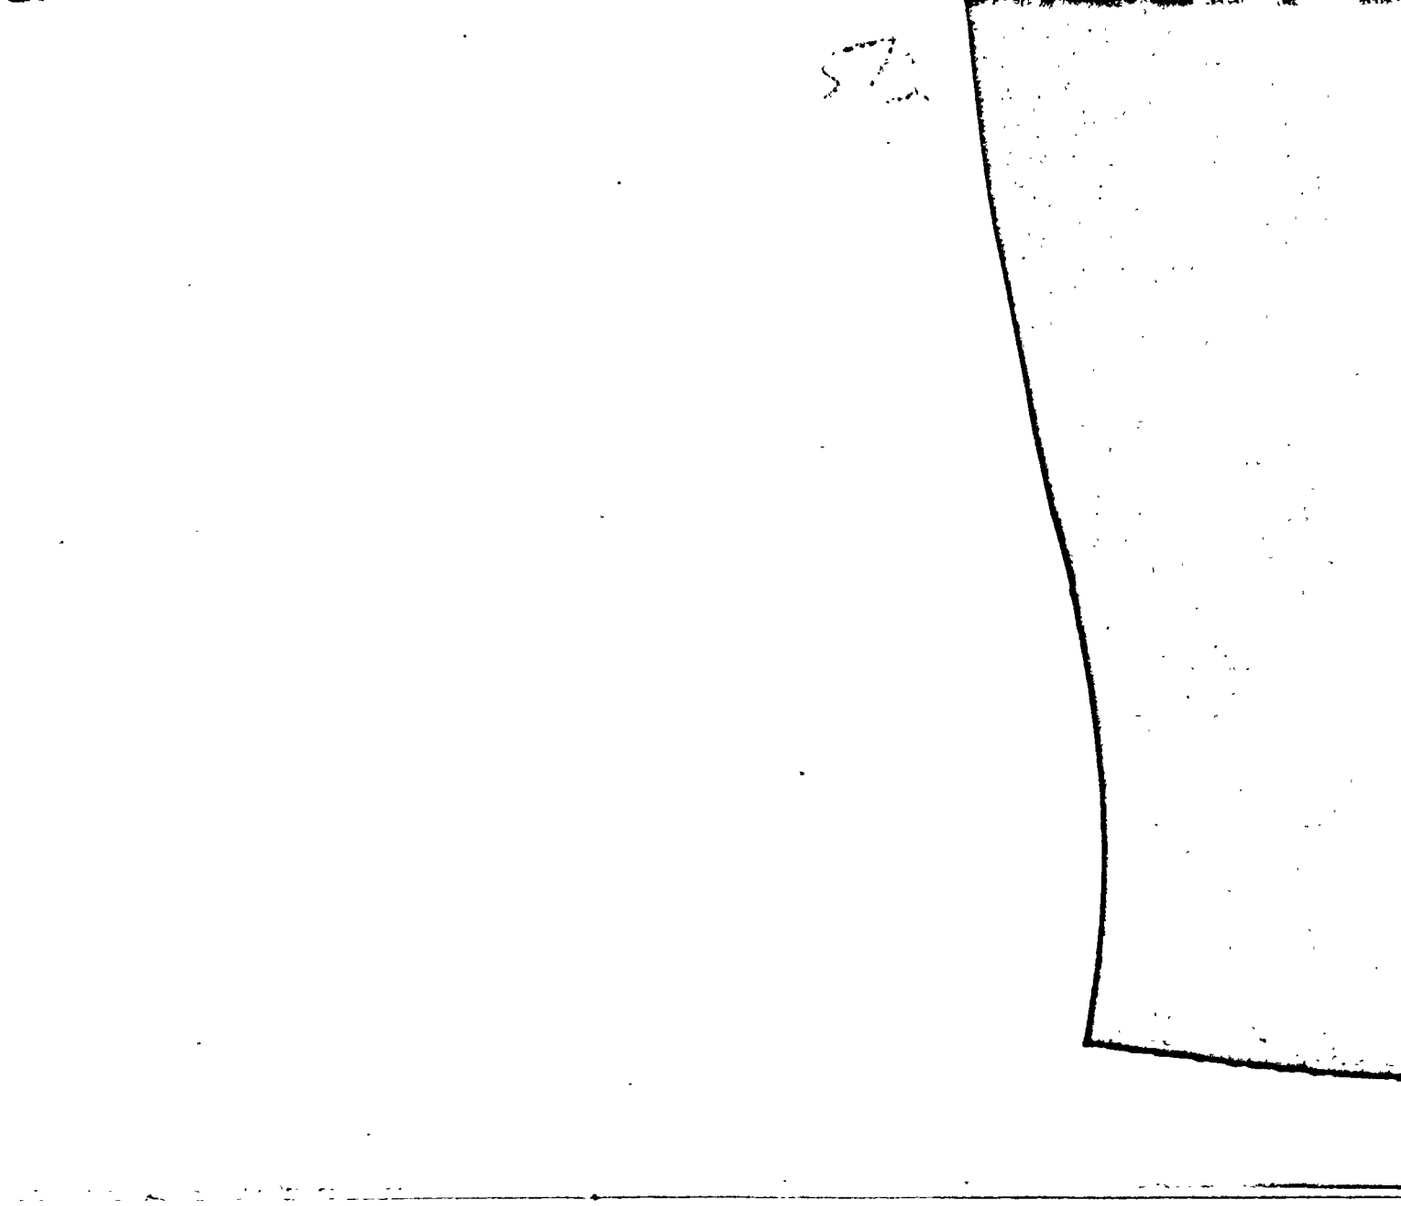

Ordered that Corporal Primm be struck off the roll of the Civil Engineering College from the 1st instant.

(True Extract).
