Proceedings of the Madras Government, Public Works Department,
23rd October 1866.

No. 536. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 6th October 1866, No. 145 :—

1. I have the honor to enclose an estimate, amounting to Rupees 920, for two wells in the Town of Berhampore.

2. In Order No. 1,998, of 25th June 1866, Government sanctioned Rs. 3,080 for seven wells in the Cantonment, but, under some misunderstanding, Captain Ryves ordered nine. On these last two, the following expenditure has been made :—

In 1865-66 Rupees 296, adjusted.
In 1866-67 „ 344.

One well has been completed, and the other is well advanced.

3. Rupees 4,500 were also sanctioned for improving tanks, but these have now been found to be unnecessary; the amount required, therefore, for the current year, Rupees 624, can be provided from the allotment for this work, if the Government approve.

No. 537. ORDER THEREON, 23rd October 1866, No. 3,378.

ACCOUNT, No. 71.

1. The Government sanction the transfer of funds which is recommended in this letter for the adjustment of expenditure which is being incurred in the sinking of two additional wells in the Town of Berhampore in the Ganjam District.

2. Colonel Moberly will report whether there is any objection to the difference* between the sanctioned estimate† for the enlargement of the tanks referred to in paragraph 3, and the amount‡ now authorized to be transferred being re-credited to the Reserve.

* Rupees 3,876.
† Rupees 4,500.
‡ Rupees 624.
