MADRAS,

(Signed) J. F. FISCHER, Captain, R. E.,
Controller of Public Works Accounts.

No. 547. ORDER THEREON, 23rd October 1866, No. 3,383.

ACCOUNT, No. 74.

The results exhibited in the Statement submitted with this letter are satisfactory, except as regards the 7th Division, where the expenditure during the quarter contrasts unfavorably with the allotment. This is probably owing to the monsoon on the Western Coast impeding operations, but the Superintending Engineer's special attention will be drawn to the subject with reference to the large and frequent demands which are made for additional appropriations to works within his charge.
