Proceedings of the Madras Government, Revenue Department,
16th October 1866.

No. 407. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 29th September 1866, No. 136 :—

1. I have the honor to enclose, for sanction, an estimate, amounting to Rupees 1,390, together with a plan for erecting a godown near the Sea Custom House at Cocanada.

1 Estimate.
1 Plan.

2. The estimates, &c., have been prepared at the request of, and countersigned by, the Collector of the Godavery, who states that, in consequence of the recently published rules regarding Coasting Steamers, all goods landed from them must be received into the Sea Custom House, for which purpose the present accommodation is quite insufficient, hence the necessity for the preparation of the enclosed documents.

3. I cannot point out a source from which the proposed outlay can be defrayed in the present year. I therefore beg that, in the event of the work being sanctioned, the necessary funds may be granted to me from the Reserve of 1867-68.

Referred to the Revenue Department.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
