Proceedings of the Madras Government, Public Works Department,
30th October 1866.

No. 688. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 18th October 1866, No. 148:—

With reference to paragraph 2 of G. O. No. 3,232, of 11th October, I have the honor to report that the balance of the Discretionary Fund of the Coimbatore District, now unappropriated, amounts to only Rupees 1,965, which I think it highly desirable to keep in hand to meet the contingencies of the impending north-east monsoon. Should it be in the power of Government to allot so much from the share of Income Tax collections assigned to this Presidency by the Supreme Government, very good use could be made of the sum of Rupees 6,145 within the current official year, at the close of which additional funds may be expected to be provided in the Imperial Budget of 1867-68.

No. 689. ORDER THEREON, 30th October 1866, No. 3,454.

ACCOUNT, No. 92.

Looking to the large sums which have been assigned for ghauts and roads in the 7th Division, the Government regret that they are unable, in fairness to the requirements of other Districts, to supplement the Discretionary allowance for Coimbatore by a grant from Income Tax Funds.
