Proceedings of the Madras Government, Public Works Department.
31st October 1866.

Read the following papers :—

No. 699. From JOHN HANNAN, Esq., to the Secretary to Government, Public Works Department, dated Madras, 25th October 1866.

In pursuance of orders received from the Secretary of State for India, I beg to announce my arrival this the 25th day of October.

No. 700. From the Assistant Resident in charge of Residency, Aden, to the Secretary to Government, Public Works Department, dated 12th October 1866, No. 823.

I have the honor to inform you that shortly after the last Madras bound Steamer passed through Aden, a person,* who stated that he was proceeding to take up an appointment in the Department of Public Works at Madras, appeared before me, and informed me that he had unluckily missed his passage by the Steamer by a few minutes, and would consequently be delayed here a fortnight, that he had no means at disposal, and consequently requested that I would provide for him during his stay. Believing his statement, and viewing the predicament in which he was placed, I directed that he should be accommodated at the Hotel, and have the honor, herewith, to attach the statement of expenses incurred on his account, and shall deem it a favor your recovering and remitting me the amount, should the individual be in any way under your control.

* Mr. John Hannan.

No. 701. ORDER THEREON, 31st October 1866, No. 3,460.

ESTABLISHMENT, No. 62.

1. Mr. John Hannan, whose appointment as an Assistant Engineer of the third grade (on probation) in the Public Works Department of the Madras Presidency was communicated to this Government in the Secretary of State's Despatch No. 17, dated 16th August 1866, having reported his arrival, he is directed to join the Godavery District.

2. Mr. Hannan has already received a theoretical training in his profession, and to enable him now to obtain that practical acquaintance with the duties of the Department which is essential to future usefulness, and to acquire a knowledge of the vernaculars and of the present system of Public Works Account, the Government think that he cannot be better employed during the period of his probation than under the immediate direction of Mr. Sage, the Officer in charge of the Eastern Delta Range and of the Workshop at Dowlaishweram. The Superintending Engineer of the 1st Division will make arrangements accordingly, and he will report to Government as soon as Mr. Hannan has passed in the vernacular, and is considered otherwise qualified for independent Range duties.

3. The salary which Mr. Hannan's Covenant guarantees to him is Rupees 170 per mensem. That amount will accordingly be passed to him from the 31st July last to the 31st instant. Mr. Hannan's Covenant further provides that he shall be allowed free quarters while completing his studies, but as the year of probation will

be passed in the Mofussil where free quarters will not be procurable, the Government direct that, in compensation for free quarters, Mr. Hannan be allowed the authorized salary of an Assistant Engineer of the 3rd grade, viz., Rupees 200 per mensem, from the 1st proximo, with the travelling allowance of his rank when entitled to it.

4. The bill received with the first of the letters above read will be forwarded to the Controller of Public Works Accounts, who will retrench its amount, viz., Rupees 85-8-0, from Mr. Hannan's Pay Abstracts for July and succeeding months, and arrange for its remittance to the Assistant Resident at Aden.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Secretary of the Govt. P.W. Madras

In pursuance of orders received from the Secretary of state for India I beg to announce my arrival this the 25th day of October

John Hannan.
