Proceedings of the Madras Government, Public Works Department,
31*st October* 1866.

No. 706. Read the following letter from the Superintendent of Marine, to the Secretary to Government, Public Works Department, dated Madras, 26th October 1866, No. 4,010 :—

I have the honor to inform you that the Acting Superintending Engineer, 1st Division, has applied to me for the plan of the new Hope Island light lantern, to enable him to prepare the estimate called for in the Proceedings of Government of the 30th August last, No. 2,747, and to observe that it was forwarded to Government in my letter recorded at the commencement of those Proceedings.

No. 707. ORDER THEREON, 31st October 1866, No. 3,463.

CIVIL WORKS, No. 129.

The Government observe that the plan of the Hope Island light lantern which is referred to in this letter, was forwarded to the Superintending Engineer of the 1st Division with two plans of apparatus on the 12th ultimo, and Lieutenant-Colonel Moberly will report whether they have yet been received by him.

(True Extract.)
