Proceedings of the Madras Government, Public Works Department,
6th November 1866.

No. 107. *Dated 6th November* 1866, *No.* 3,532.

CIVIL WORKS, No. 23.

1. In paragraph 11 of the letter from the Secretary to the Government of India, No. 626 C., dated 19th July 1866, this Government were requested to furnish Major Medley, Royal Engineers, for publication in the Professional Papers edited by that Officer, with a copy of the papers relating to the Madras Water Supply project and with drawings on a small scale sufficient to illustrate the scheme.

2. The Government have ascertained that the whole of the plans submitted by Mr. Fraser may be reduced to a convenient scale, and 300 lithographed copies of them supplied within six months at a cost of Rupees 1,000, the paper being furnished by the Government Lithographic Establishment, and the printing portion of the work executed by that Department.

3. The expense being moderate, the Government consider that it would be desirable to publish Mr. Fraser's Report, with plans complete, in the form of a "Selection," and they resolve to sanction the preparation of 300 copies of the drawings on a reduced scale at a cost not exceeding Rupees 1,000, payment being made on the completion of the work.

4. The charge will be debited to the allotment for "Establishments."
