Proceedings of the Madras Government, Public Works Department, 7th November 1866.

No. 150. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coimbatore, 25th October 1866, No. 156:—

1. Supplemental Bill Rupees 10-4-6
2. Voucher for ,, 8-0-0
3. Controller's Memorandum.

1. I have the honor to submit, for the orders of Government, the accompanying supplemental travelling allowance bill of Poottoor Range of South Canara District for September, with Controller's Memorandum, No. 150 of 22nd October attached, disallowing the following charges in the bill:—

Second class table allowance for Mr. Overseer Cripps Rs. 8 0 0
Railway fare and deck passage by Steamer for his Writer, from Coimbatore to Beypoor, and from Calicut to Mangalore, respectively ... ... ,, 10 4 6

2. The Controller quotes G. O. No. 3,171 of 5th October 1866, as the authority for disallowing the table allowance claimed. The G. O. however confirms, as regards the table allowance, the rules at page 210 of the "Fort Saint George Gazette" of 17th August 1866, the 5th paragraph of which distinctly includes messing in the accommodation provided for Uncovenanted Public Servants drawing less than Rupees 100.

3. Having posted the Overseer to the Canara District, I placed him temporarily under orders of Captain Law on the new Coonoor Ghaut, to learn his work, till after the south-west monsoon was over—*Vide* my letter to you, No. 62 of 3rd July 1866. When finally ordered to his District in September, his Writer had to accompany him and incur the Railway and Steamer charges. I have the honor therefore to request that Government will be pleased to pass the charges as a special case.

No. 151. ORDER THEREON, 7th November 1866, No. 3,554.

ESTABLISHMENT, No. 18.

1. As the Financial Resolution of the Government of India, No. 1,467, dated 23rd July, published in the Official Gazette of the 17th August 1866, provides for the entire cost of a second class passage without any deduction on account of table money being borne by Government, and as Mr. Cripps appears to have actually paid for his messing while on board, the Government are of opinion that the claim preferred by him on that account is admissible.

2. The Controller is authorized, as a special case, to pass the Railway fare and deck passage for Mr. Cripps' Writer.
