No. 29. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Cannanore, 16th November 1866, No. 179:—

1. With reference to G. O. No. 3,444 of 29th October 1866, I have the honor to forward a Statement showing the correct balances of Income Tax Fund that remained in the 7th Division on the

30th April 1866, from which it will be seen that there does not exist a saving of Rupees 12,372 in Malabar as shown in the Controller's Statement, and ordered by Government to be partially transferred to other districts to meet excesses. The correct amount of available balances on the 1st May 1866 is Rupees 795-1-5 in Coimbatore, and Rupees 5,702-8-0 in Malabar, of which the latter sum has been appropriated in G. O. No. 2,673 of 23rd August 1866. I propose to appropriate the former to the new Kotagerry road, sanctioned in G. O. No. 3,232 of 11th
