*Proceedings of the Madras Government, Public Works Department,
4th December 1866.*

No. 54. Read the following letter from the Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 26th November 1866, No. 1,023:—

1. I have the honor to inform you that on the 16th ultimo I appointed one Moonesawmy Moodelly, an Overseer on probation, vice Teyagaraja Pillay, who died in September. A Notification of the appointment of Moonesawmy was forwarded to the Superintendent of the Fort Saint George Gazette Press, but was returned with your Memorandum, dated 12th October, intimating that the publication of these notices was unnecessary.

2. The Controller states that the approval of Government to the appointment is necessary, and declines to pass Moonesawmy Moodelly's salary. When Overseer Joseph Pillay and Mr. Donaghue were appointed, a notice to that effect was published in the Gazette, and was supposed by me to be a sufficient intimation of the appointments to all the Offices concerned. Moonesawmy Moodelly obtained a

Civil Engineering College in March 1860, and was appointed a Sub-Overseer second class, third grade, in April 1860, he served in that grade for three years, till April 1863, when, under Proceedings Chief Engineer, No. 6,167, on the reduction of the department, he was reduced to the rank of Maistry, and on the abolition of that grade in July 1863, he ceased to belong to the executive branch of the department; he has since held the appointment of Assistant Accountant in the Range Office of No. 4 Range, in the Tanjore District, but has chiefly been employed in surveying and levelling and in superintending work.

3. I have the honor to request that his appointment, on probation, may be approved, and that I may be informed whether he will, under Proceedings Madras Government, No. 1,724, dated 30th June, be required to pass the examination required of Overseers, and if so, that a year's preparation may be allowed him.
