1. With reference to the despatch to you in this Department, No. 7, dated 25th April 1866, informing you that the Stores demanded in the Indent accompanying your letter No. 6, of 9th February 1866, would be complied with, I have now to inform you that Tee Iron of the sizes noted in the margin cannot be procured; rolls of the requisite dimensions not being in existence, and the quantity of iron required being too small to warrant the special construction of rolls for its production.

Do. $4\frac{1}{2} \times 3 \times \frac{1}{8}$ as per tracing B.

Instead of two sizes of the latter description, it is proposed to supply one only.

3. I have to request that I may be informed whether these alterations can be allowed without causing inconvenience to the Public Works Department of your Presidency.
