Proceedings of the Madras Government, Public Works Department,
10th December 1866.

No. 140. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Camp, Berhampore, 21st November 1866, No. 182:—

1. I have the honor to bring to the notice of Government that, from the estimate for Puttasingy Barracks, amounting to Rupees 4,760, sanctioned in G. O. No. 3,804 of 19th December 1865, Rupees 2,290-5-4 were expended in the preparation of materials before the allotment was cancelled in G. O. No. 760 of 7th March 1866.

2. Of this sum, materials to the value of Rupees 870-8-0 have been transferred to the Wodasal Barrack, and the Collector has taken others, costing Rupees 696-0-4, for the Ballugedda buildings, leaving on hand stock which cost Rupees 723-13-0, but not likely to fetch that amount if sold.

3. If other buildings of the same nature are built, as is very probable, in the Ganjam hills, these articles can be transferred to them; meanwhile, I beg the sanction of Government to the outlay already made under the head of Puttasingy Barrack, to enable the Controller to pass the amount: the expenditure was made in last year, so that no funds are needed.

No. 141. ORDER THEREON, 10th December 1866, No. 3,890.

ACCOUNT, No. 11. Sanctioned accordingly.
