Proceedings of the Madras Government, Public Works Department,
***13th December* 1866.**

No. 213. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 10th December 1866, No. 3,570 :—

The Executive Engineer, Southern Range, Presidency, has brought to my notice that the funds at his disposal having been nearly exhausted in consequence of the large outlay incurred on the Penitentiary and other works, ordered to be proceeded with in G. O. No. 3,328, dated 18th October 1866, in anticipation of funds being allotted later in the year, and as it is apprehended that the expenditure of the current month will still further reduce his resources so as to render it necessary to stop operations altogether, I have the honor to request that you will be good enough to authorize the Accountant General and the Controller Public Works Accounts, to pass the full amount, viz., Rupees 34,880, adverted to in the above G. O., on my usual monthly letters of credit.

No. 214. ORDER THEREON, 13th December 1866, No. 3,928.

ACCOUNT, No. 19.

Adverting to the Order of the 12th instant, No. 3,920, the Government request the Superintending Engineer of the 4th Division to report *at once* the amount which can be set free from the current year's allotment for the Central Jail at Vellore. Pending the receipt of that report and of the sanction of Government to a supplemental assignment to the Presidency, authority is granted for the sum of Rupees 34,880, referred to in this letter, being passed on the Superintending Engineer's monthly letters of credit.
