Proceedings of the Madras Government, Public Works Department, 13th December 1866.

No. 221. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Cuddalore, 1st December 1866, No. 142 :—

1. Since the receipt of G. O. No. 3,179, of the 5th October last, authorizing an outlay of Rupees 2,000 on the road from Oossoor to the Malloor Railway Station from the Relief grant, the Collector has informed me that he cannot place the sum at my disposal as he promised, in consequence of "the necessity for "finding employment for the relief of the poor in the Oossoor Talook having passed "over."

2. The expenditure on this road since 1st May last is Rupees 1,886-10-8, or Rupees 686-10-8 over the current year's Budget allotment for it. Of this excess Rupees 483-1-8 have been, however, received from the Local (Relief) Fund, which reduced the unexpended balance of the estimate to Rupees 2,239.

3. The completion of the road, which is the only Railway feeder between Tripatore and Bangalore, is of great importance; and the road, if left in its present state for any length of time, cannot be completed for the balance of its estimate. I have, therefore, the honor to request that the Government will be pleased to sanction a transfer of Rupees 2,239 to this road from the Income Tax allotment of Rupees 3,222, granted in G. O. No. 3,223, dated 10th October last, for a bridge across the Thambipetta Oday, on the road from Cuddalore to the Salem frontier in South Arcot.

No. 222. ORDER THEREON, 13th December 1866, No. 3,932.

ACCOUNT, No. 21.

The transfer of funds recommended in this letter is sanctioned.
