Proceedings of the Madras Government, Public Works Department, 14th December 1866.

No. 256. Read the following letter from the Executive Engineer in charge of the Superintending Engineer's Office, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 7th December 1866, No. 1,542:—

1. With reference to G. O. No. 3,526, of the 5th November 1866, I have the honor to state that the apparatus designed by Major Paxton for experimenting upon the quantity of water required for wet cultivation is in good order, and available for continuing the experiments undertaken by that Officer last year.

2. The Executive Officer of the Range has accordingly been requested to continue the experiments, and to report the result.

No. 257. Order thereon, 14th December 1866, No. 3,940.

CIVIL WORKS, No. 49.

Communicated to the Revenue Department.

(True Extract.)
