No. 263. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp, Casseebooga, 28th November 1866, No. 198:—

I have the honor to request the sanction of Government to the enclosed estimate, to be executed in 1867-68, for carrying water to certain villages (see margin) in the Godavery District, from a better head than they now possess, this channel will also save the main channel from risk of breaches, now frequently caused, by the Palmyra sluices required for direct irrigation.

No. 264. ORDER THEREON, 14th December 1866, No. 3,942.

CIVIL WORKS, No. 50.

The estimate submitted with this letter is returned for re-submission, in a more complete form, after the 1st April next. (The covering letter does not specify the amount of the estimate; the estimate does not bear the countersignature of the Collector; no information is furnished as to the revenue under the Mundapett canal, nor as to any expected increase. Estimates cannot be considered by Government in the absence of the several particulars required by Chapter V. of the Code.
