*Proceedings of the Madras Government, Public Works Department,
14th December 1866.*

No. 269. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Aurumbakum, 1st December 1866, No. 69 :—

1. With reference to G. O. No. 3,784, dated 18th December 1865, permitting S. Ramiah Puntooloo to be employed as an Acting Overseer during twelve months, after which he should pass the examination laid down for Overseers; I have the honor to state that, during the past year, the individual alluded to has been so fully employed in his duties that it has been impossible for him to secure time for study, nor do I see that if he were granted an extension of the period, his work could be made less onerous than it is at present.

2. Application has been made to the Principal of the Engineering College to know if any Passed Candidates are available for employment, but Captain Edgecome states that he knows of none.

3. Acting Overseer S. Ramiah has given entire satisfaction in the execution of his work. Indeed, it is superior to that of most of the other Overseers in this Division, and as his not now passing is attributable to no fault on his part, I would solicit the favor of his being permitted to continue in his present position, till passed Students may be available from the College. If he now leaves the department, the important works on which he is engaged, viz., the masonry bridges on Trunk Road No. 6, including the large structure over the Pydairu, the Dornal Road Works, &c., would be greatly hindered in their progress, or even temporarily stopped.

15th December 1865, permitting S. Ramiah Puntooloo to

be made less onerous than it is at present.

Application has been made to the Principal
of the Engineering College to know if any passed Candidates
are available for employment, but Captains
Edgemoor states that he knows of none.

being permitted to continue in his position, till passed
students may be available from the College. - If he
