No. 137. Read the following Proceedings of the Board of Revenue, dated 26th November 1866, No. 8,513.

Read the following letter from the Acting Collector of Madras, to the Secretary to the Board of Revenue, dated Sydapett, 1st November 1866, No. 343:—

In reference to Board's Proceedings,* dated 13th October last, No. 7,398, I have the honor to state that it is not possible to provide for the construction of the road from Panjatty to Ponnery from the Local Fund, as will be seen from my Budget Estimate, which accompanied my letter to the Board, dated 8th ultimo, No. 315. I would suggest that, as the road is an important one, the estimate for it should be included in the Imperial Budget for 1867-68.

* Two estimates and plan are herewith returned.

ENCLOSURES Nos. 1 and 2.—Plan and Estimate.

Submitted to Government, with reference to Government Order dated 8th October 1866, No. 2,710, Revenue Department.

The road in question, being a District and *not* an Imperial Line, cannot be entered in the Public Works Budget. It must be deferred until funds become available by the introduction of the Road Cess, or from other District Road Fund sources.
