MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Acting Superintendent of Pensions, Fort Saint George, 23rd November 1866, No. 2185; to the Secretary to Government, Military Department.

With reference to the Orders of Government as per margin, I have the honor to state that the undermentioned Pensioners were released from confinement on the dates set opposite their respective names, and I solicit the orders of Government regarding them.

No. 3411, 13th September 1865.
Nos. 541 and 1601, 9th February and 5th May 1866.

2. I beg to remind Government that the Agent and Manager of the Madras Railway brought these cases specially to notice in January 1866, and stated that pensioners have been largely entertained by the Railway Company, as watchers, in preference to others, under the impression that a risk of forfeiture of pension in the event of dishonesty would be a guarantee for their good behaviour.

ORDER, No. 4320, 12th December 1866.

The Governor in Council observes that the Pensioners referred to in the foregoing letter were guilty of an aggravated offence: they sought an office of trust, and deliberately abused it by abstracting the very property they were engaged to guard.

2. A severe example appearing to be necessary to check such practices, the Government resolve to cancel the pensions of the criminals in question from date of last payment.
