*Proceedings of the Madras Government, Public Works Department,
17th December 1866.*

No. 313. Read the following Despatch from the Right Honorable the Secretary of State for India, (Public Works), to His Excellency the Right Honorable the Governor in Council, Fort Saint George, dated India Office, London, 9th November 1866, No. 20 :—

1. I have had before me in Council your Despatch dated June 29th (No. 37), 1866, reporting that you have ordered the dredging operations at Cocanada to be discontinued.

2. As Cocanada is one of the most important ports on the eastern coast of India, with a trade worth nearly £ 200,000, it would be a matter for deep regret if the continuance of measures for its improvement should be found impracticable. I desire, therefore, to be informed if the cessation of dredging results in a diminution of the depth of water, and of any further proceedings you may adopt on receiving the reports of the Superintending Engineer, which you have required that Officer to make.

No. 314. ORDER THEREON, 17th December 1866, No. 3,968.

CIVIL WORKS, No. 67.

Ordered that a copy of the Proceedings of Government No. 3,357, dated 20th October 1866, be forwarded to the

Right Honorable the Secretary of State for India.
