MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Officiating Quarter Master General., Head Quarters, Ootacamund, 30th November 1866, No. $\frac{1020}{9335}$; to the Secretary to Government, Military Department, Fort Saint George.

With reference to that part of the Order of Government, dated 15th November 1866, No. 3955, requesting the Commander-in-Chief's views on the subject of the site for a hospital for the European Infantry Regiment at Bangalore, I have the honor, by order, to state for the information of Government, that the Commander-in-Chief having again taken this question into consideration, and communicated with the Divisional Authorities thereon, His Excellency concurs with the Right Honorable the Governor that it is desirable that the hospital accommodation for the whole of the European troops at Bangalore should be provided on the race course.

2. The reports now before the Commander-in-Chief of the neighbourhood of the present Cavalry Hospital, shew that that building should be given up, as soon as possible, as a hospital, and that the idea of fixing on that site for a new hospital for the European Infantry should be at once abandoned.

3. The distance of the race course from the barracks hereafter to be occupied by the Infantry Regiment is about a mile and three-quarters: but Major General Haines and Doctor Inglis have fully satisfied His Excellency, that the sick of that Corps could be conveyed to a hospital on the race course without any inconvenience: and that arrangements could be easily made in the barracks for the treatment of casual cases requiring immediate attention.

ORDER, No. 4278, 10th December 1866.

Communicated to the Department Public Works, with reference to paragraph 1 of Order of Government, No. 3955, dated 15th November 1866.

(True Extract.)

Major General,
Secretary to Government.

To the Quarter Master General.
