*Proceedings of the Madras Government, Public Works Department,
19th December 1866.*

No. 380. Read the following Endorsement of the Deputy Consulting Engineer for Railways, dated Madras, 11th December 1866, No. 466:—

Read the following letter from the Agent Great Southern of India Railway, to the Consulting Engineer for Railways, dated Negapatam, 6th December 1866, No. 2,219.

The opening of this Railway between Trichinopoly and Caroor renders necessary an addition to, and revision of, the Traffic Department staff. Will you please, therefore, obtain the sanction of Government to the attached list (with effect from the 1st instant) which shows an increase of Rupees 1,374.

1. From the Statement embodied in the Proceedings of Government, dated the 26th September 1865, No. 2,850, it will be seen that the cost of the staff employed in the Traffic Department of the Great Southern of India Railway amounted to Rupees 3,492. In G. O. dated the 26th October, No. 3,220, sanction was accorded for Rupees 481, of which sum Rupees 120 was for the Traffic Department. In a subsequent Order dated the 5th July last, No. 2,121, the appointment of an Assistant Traffic Manager, upon a salary of Rupees 400 per mensem, was sanctioned, which increased the cost of the staff to Rupees 4,012. On the 19th September last, a sum of Rupees 52 was sanctioned by this department for two Clerks and a Peon, proposed to be employed in the Electric Telegraph Station at Lallapetta, on the Errode Extension. This raised the cost of the whole establishment to Rupees 4,064.

2. The Agent has now submitted a revised list, showing the additions and alterations which he considers necessary in consequence of the extension of the Railway from Trichinopoly to Caroor.

The deduction should correctly be Rupees 303, but owing to an omission of Rupees 17 in the revised list, it stands at Rupees 286. The cost of the additions is Rupees 1,660, but deducting therefrom Rupees 286, the reduction proposed to be made in the existing staff, the net cost of the additional establishment required for conducting the traffic upon the open portion of the line from Negapatam to Caroor, is Rupees 1,374.

3. As a rule the Agent does not give the men employed the salaries sanctioned, so that the additional outlay is not likely to be incurred to the full extent. Under these circumstances, I recommend that sanction be granted for the revised establishment at a monthly cost of Rupees (5,421) five thousand four hundred and twenty-one, to have effect from the 1st December 1866.

(Signed) H. N. D. PRENDERGAST, Major, V. C., R. E.,
Deputy Consulting Engineer for Railways.
