*Proceedings of the Madras Government, Public Works Department,
19th December 1866.*

No. 386. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Camp, Casseebooga, 28th November 1866, No. 194:—

1. I have the honor to forward plans, &c., for two calingulahs in No. 2 Range, Ganjam District, and beg that Government will be pleased to sanction them for immediate execution. Captain Darrah can only carry out work to the

Enclosures 4.
Rupees 950.
„ 790.

amount of Rupees 800, during the current year, and I can supply that sum from Minor New Works "Agricultural."

2. The works are designed to pass surplus water from the Pauchama Ballighayee and Sindagam Rajaghayee to the fields of villages in the Itchapúr Tálug; the Collector reports that "on a former occasion the ryots concerned agreed to "raise their Cist by 12 per cent. on the amount that may be laid out in the construction of the former work," and that under the latter "120 acres of waste and 7½ "acres of dry land will be cultivated as wet."

No. 387. ORDER THEREON, 19th December 1866, No. 4,004.

CIVIL WORKS, No. 78.

The estimates are sanctioned.

Sir,
I have the honor to forward plans
for 2 Calingulaks in No 2 Range Ganjam
District, and beg that Government will
be pleased to sanction them for immediate
execution. Captain Darrah can only carry
out work to the amount of Rs 800 during
the current year, and I can supply that
sum from Minor New Works "Agricultural".

Rs 950
" 790

2. The works are designed to pass sur-
plus water from the Panhama Balli-
ghayce and Sindagam Rajaghayce to
the fields of villages in the Itchapir
Taluk. The Collector reports that "on a for-
mer occasion the Ryots concerned agreed
to raise their cist by 12 per cent on the
amount that may be laid out in the con-
struction of the former work" and that
under the latter "120 acres of waste & 7 1/2
acres of dry land will be cultivated as
wet."
