No. 404. Read the following Endorsement of the Deputy Consulting Engineer for Railways, dated Madras, 11th December 1866, No. 465 :—

Read the following letter from the Agent Great Southern of India Railway, to the Consulting Engineer for Railways, dated Negapatam, 7th December 1866, No. 2,223.

In compliance with the request contained in your letter No. 292, of the 6th ultimo, I send you (by book post) plan of proposed privies and urinaries for the Trichinopoly Station. Will you please obtain sanction of Government thereto, as also to the attached estimate, amounting to Rupees 1,530.

1. The plan and estimate for privies and urinaries proposed to be constructed at the new Railway Station near the Fort of Trichinopoly, on the Errode Extension of the Great Southern of India Railway, should have accompanied application dated the 5th ultimo, No. 430, but as noticed therein, were omitted by the Agent.

2. The plan is well adapted for the purpose for which it is intended. The rates allowed in the estimate are similar to those adopted in the estimates for the Station buildings at Trichinopoly, and I recommend that sanction be granted for the proposed outlay of Rupees (1,530) one thousand five hundred and thirty.
