No. 415. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Camp, Cuddapah, 8th December 1866, No. 2,634 :—

1. In paragraph 2 of G. O. No. 1,776, of 6th June 1866, permission was given to sell some materials in the Bellary Range, and to report the amount realized, with a view to the difference between it and the value of the materials being written off to "profit and loss."

2. Agreeably to these orders, instructions were issued to publish a notice in the District Gazette that the materials would be sold by auction on a specified date: this was done, and it was also intimated in the neighbourhood by beat of tom-tom.

3. I have now the honor to inform you that Mr. Supervisor Claridge reports that no parties have made an offer for the bricks in question, and I beg therefore that leave be granted to my writing the amount off to "profit and loss."
