MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Officiating Quarter Master General, Head Quarters, Ootacamund, 8th December 1866, No. $\frac{1084}{9500}$; to the Secretary to Government, Military Department, Fort Saint George.

Forwarded to Government for sanction. The materials to be used in erecting the new Central school-house at Mangalore, as proposed.

From the Officer Commanding Malabar and Canara, Cannanore, 1st December 1866, No. 202; to the Quarter Master General, Head Quarters, Ootacamund.

I have the honor to forward for the favorable consideration of His Excellency the Commander-in-Chief the accompanying letter, No. 206 of the 28th instant, from the Officer Commanding Mangalore, requesting sanction for the removal of the present escalading Butts at that station.

From the Officer Commanding Mangalore, 28th November 1866, No. 206; to the Major of Brigade Malabar and Canara, Cannanore.

When His Excellency the Right Honorable the Governor of Madras was at this station a few days since, he was desirous that the stones used in building the two escalading Butts situated near the Regimental Gardens of the 14th Regiment Native Infantry might be employed in erecting the new Central school-house, provided the Butts were not required—I have the honor to request you will do me the favor of bringing the matter to the notice of the Brigadier General, and to request that he will favor me with his orders on the subject.

I would beg to report for the information of the Brigadier General, that there is a deep ditch round the old Fort, in this ditch, and near the Church there is a good place where escalading drill could be practiced, which would answer all practicable purposes for teaching the men of the Garrison this part of their duty. The present escalading Butts are most unsightly and their removal would be an improvement to the appearance of the Cantonment.

ORDER, No. 4341, 14th December 1866.

Sanctioned as requested.
