This is not clear whether the lands held by Subba Row, Delta Government in the Kistna District, are situated within or without the Taluq in which he is employed. In the former case, he should be called upon to dispose of his lands or be removed to another charge.

Adverting to the order of the 5th May 1866, No 1451, the Government observe from the column of remarks of the statement under review

under review that arrangements are being made for the disposal of the lands held by Nagalinga Pillay, Estate. Matter in the Office of the Supty Engineer of the 8th Division, but that no action appears to have been taken in the case of Kalainaswami Moodely, Writer and Accountant in the Seracolum Taluq of the Madurai District. The Superintending Engineer will furnish explanation upon this point.
