Proceedings of the Madras Government, Public Works Department.
21st December 1866.

No. 467. Read the following Proceedings of the Board of Revenue, dated 23rd November 1866, No. 8,454 :—

Read the following letter from the Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated 24th October 1866, No. 231.

1. In reply to your Memorandum of the 31st August 1866, No. 853, I have the honor to inform the Board that the amount of Rupees 32-8-0,* included in the Abstract of the Railway Contingent Bill, for April 1865, bearing date the 25th July 1866, but retrenched by the Board, was paid in May 1865, to the Railway temporary establishment, entertained under the sanction of Government noted in the

† Proceedings of Madras Government, Financial Department, dated 2nd November 1864. margin†. It was entered in the Contingent Bill submitted for audit, to the

Controller of Public Works Accounts on the 22nd May last, but that Officer struck out the aforesaid amount of 32-8-0, as "being in excess of the grant sanctioned in Government Order, 26th May 1865, No. 1,110, Revenue Department." A separate abstract for the same was, therefore, made and submitted to the Board, on the 25th July 1866, for sanction, and should have been accompanied by the explanation now afforded. The delay is certainly most unaccountable, but is to be attributed mainly to the Account Department, and to insufficient scrutiny of unadjusted items.

2. Under these circumstances, I request that you will be pleased to obtain necessary sanction for adjusting in the accounts, the amount in question. All the other Railway charges, having been passed by the Controller of Public Works Accounts, were duly adjusted, and the Accountant General informed of it.
