*Proceedings of the Madras Government, Public Works Department,
22nd December 1866.*

No. 513. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coimbatore, 12th December 1866, No. 189:—

1. I have the honor to report that a Lascar named Moonoswamy, attached to the North Wynaad Range, absconded with Rupees 250 of public money on his way from Manantoddy to the head of the Periah Ghaut, on the 12th August, and in spite of notice of the circumstance, with a descriptive roll of the man, having been furnished to the Police, every endeavour to catch him has as yet failed, though the man was tracked to Mercara, whence he removed his family, it is supposed, to Mysore. And the Deputy Inspector General of Police of the Western Range now gives me to understand that there can be no chance of any of the lost money being recovered, though efforts for the arrest of the culprit will be continued. Under these circumstances, I have the honor to request that Government will be pleased to sanction the money being written off to account of "profit and loss."

2. On being called to account by me for having sent a single Lascar in charge of money without Police escort, Mr. Nordmann has stated that on the same day he had occasion to send money by another Lascar to Terriote, and that selecting, as he believed, the more trustworthy Lascar of the two to proceed alone to Periah, he obtained from the Police Inspector at Manantoddy the services of a Constable to escort the other man. Having to send out money on the same date to two places, he did not think that he could obtain the services of two Constables from the small force available, and therefore he made, as he conceived, the best arrangement in his power.

No. 514. ORDER THEREON, 22nd December 1866, No. 4,066.

ESTABLISHMENT, No. 32.

1. Under the circumstances brought to notice in this letter, the Government authorize the sum of Rupees 250 referred to, to be written off to Profit and Loss; but they observe that a report of the robbery should have been made to them at the time of its occurrence.

2. The Government cannot acquit Mr. Nordmann of blame in this matter. The despatch of one of the two sums referred to should have been deferred until the usual escort had been obtained.
