MADRAS RECORD OFFICE.

Government of Madras.

Public works DEPARTMENT.

G.O. No. 4086	Press ~~Mis.~~
552-53	
Dated 22 12 1866.	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
22nd December 1866.*

No. 552. Read the following Proceedings of the Madras Government in the
Revenue Department:—

Passing orders on the estimate of Rs. 16,000 for }
flooring with asphalt the Custom House yard } (Here enter 21st December 1866, No. 3,470.)
and sheds at Madras.

No. 553. ORDER THEREON, 22nd December 1866, No. 4,086.

CIVIL WORKS, No. 112.

Communicated to the Superintending Engineer of the 4th Division, who will, for the present, arrange for the flooring of the *godowns* with asphalt being at once proceeded with, in anticipation of an allotment of funds later in the year.

(True Extract.)

*Proceedings of the Madras Government, Revenue Department,
21st December 1866.*

No. 423. Read again Proceedings of the Board of Revenue, dated 16th, and recorded in the Proceedings of Government, 21st April 1866, No. 942. Read also the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 3rd December 1866, No. 3,487:—

1. With reference to Government Order No. 1,319, dated 26th April 1866, I have the honor to submit for the orders of Government an estimate, amounting

to Rupees 16,000, for laying a bed of concrete six inches thick, and applying asphalt over the same to the depth of three-quarter inch in the sheds and yards of the Sea Custom House at Madras.

2. If the *sheds alone* are to have floors of concrete and asphalt, the cost would be only Rupees 6,500.

Referred to the Revenue Department. It has not been found possible to provide for the work in the outgoing Budget.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

FORT SAINT GEORGE,
5th December 1866.

No. 429. ORDER THEREON, 21st December 1866, No. 3,470.

Miscellaneous.

1. The Board support the recommendation of the Collector of Sea Customs at Madras that all the Customs House yard and sheds be floored with asphalt, and suggest that the "Godown rents" might very legitimately be formed into a fund for the maintenance and improvement of the Customs House, the yard, godowns, &c.

2. The Board's suggestion to create a separate fund is inadmissible. The Customs House and the buildings connected with it are public buildings, and spending the revenue derived from them without bringing it to account would be contrary to the principle laid down in the Order of the Government of India noted in the margin. Moreover, the unnecessary increase of Local Funds is inconvenient. The repairs and improvements of these buildings must, therefore, be met from Imperial Funds.

Financial Circular, dated 31st January 1866,
No. 188A.

3. The estimate submitted by the Superintending Engineer for asphaltting the sheds and yards amounts to Rupees 16,000, but it has not been practicable to provide funds for the work in the outgoing Budget. It is, however, of consequence that it should be undertaken soon, as delay in its execution may entail loss on Government on account of compensation for injury caused to property lodged in the Custom House. Further orders will be issued from the Public Works Department.

(True Extract.)

Remarks by the Hon^{ble} H. D. Phillips
on Rev^d Draft G. O. regarding as-
phalting the floor of the Customs House
yards and sheds.

2/7. P. / An endeavour should, I
think, be made to find money for
flooring with asphalt, the yards as
well as the sheds. Caves left in the
yards attract white ants - from the
yards they will find their way
into the sheds, and although it may
be true that their traces are visible
enough, we know that early inspec-
tors are careless, and we also
know that for any serious damage the
Gov^t may have to pay, no sufficient
recovery could ever be made from a
body of coolies receiving a daily wage
of 3 or 3½ annas. —

/S^d/ H. D. P.

Dr^d by the Hon^{ble} the President

I concur but the level of the
floors to be asphalted should be care-
fully considered lest we spend money
on floors which are liable to be im-
mured. —

/S^d/ N.
