Superintending Engineer, S. D. G.

To,

Colonel C. A. Orr R. E.

Secretary to Government P. M. D.

Sir,

At the wish of the Inspector General of Ordnance and Magazines, the work connected with the removal and rebuilding of one of the Charcoal Cylinders at the Gun Powder Manufactory was authorized by me in November 1864, and an Estimate Rupees 350 for the same was submitted by the Executive Engineer in July last, but before there was time to obtain sanction for the estimate, the work was completed at a cost of Rupees 356. I have therefore now the honor to request that you will be good enough to place this sum at my disposal from the Reserve under the Head 'Military'. -
