Dated 16-2-	1866.

*Proceedings of the Madras Government, Public Works Department,
16th February 1866.*

No. 371. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 5th February 1866, No. 3,050 :—

No. 3,205, dated 25th October 1865.
 „ 3,431, „ 15th November „
 „ 3,567, „ 24th do. „

1. With reference to Government orders marginally noted, I have the honor to submit a revised estimate of Public Works Revenue for the current year 1865-66, the cause of the delay in the submission of which was explained in my Memorandum No. 2,949 of 31st January 1866.

2. The Accountant General's estimate,* which is herewith forwarded, amounts

* Received Friday evening the 2nd instant, with letter No. 4,650, dated 2nd idem.

to Rupees 3,10,899-2-6, from which however the following items have been omitted from my estimate for the reasons noted against each :—

Recoveries of advances on account of previous year's expenditure, and refunds of the former year's allotment for lands, &c. } rs. A. P. 1,98,457 4 3

The greater portion of this amount is the balance of Rupees 2,20,000 advanced to the Collector of Godavery by the Public Works Department, which will have to be credited in the accounts to the head "Advances to Civil Officers." It is therefore not Public Works Revenue.

Undisbursed portion of advances made by the Public Works Department, for imperial works executed by the Civil Department. } 1,784 12 6

This amount also will have to be credited to "Advances to Civil Officers," and is therefore not Public Works Revenue.

Income Tax. ... 394 13 0
 Contribution in aid of Public Works.... 4,235 0 9

No provision for these receipts in the form of estimate for 1865-66, and therefore not taken into account.

Miscellaneous. ... 3,554 0 0
 Received from the Range Officers. ... 506 8 6

It is not known what is the nature of these receipts, and to what heads they are applicable.

Total... 2,08,932 7 0

3. It is believed that the Civil Estimate does not completely exhibit the receipts from canal collections in this Presidency, where navigable canals are not confined to the Districts of Godavery, Kistna, and Madras, as they are known to exist in the Malabar District also. This circumstance was noticed in my letter to Government, No. 2,122, dated 21st November 1865, and recorded in their Proceedings, No. 3,567, dated 24th idem.

Sir, With reference to Government orders marginally noted, I have the honor to submit in revised Estimate of Public Works Revenue for the current year 1865/66 the cause of the delay in the submission of which was explained in my Memo N^o 2649 of 31st January 1866.

2. The Accountant General's Estimate which is herewith forwarded -

amounts to Rs 3,10,099 - 2 - 6 from which however the

*
Received Survey during the 2nd Ins. sent with letter N^o 4050 dated 2nd idem.

Following items have been omitted from my Estimate for the reasons

Reasons noted against each.

Recovery of advances in account
of previous years expenditure
and refunds of the former years
allotted for land &c. Rs. 19,457-4-3

The greater portion of this amount
is the balance of Rs 220,000 advanced
to the Collector of Godavari by the
WD which will have to be ac-
counted for in the accounts to the
head "Advances to Civil Officers".
It is therefore not M. Revenue.

Undisbursed portion of advances
made by the WD for internal
works executed by the Civil Depart-
ment. Rs. 1,984-12-6

This amount also will have
to be credited to "Advances to
Civil Officers" and is therefore
not M. Revenue.

Security Tax
in substitution in aid of WD works. Rs. 394-15-0
Rs. 4,235-0-9

No provision for these receipts
in the form of Estimate for
1865/66 and therefore not taken
in its account.

Miscellaneous
Received from the Range Officers. Rs. 3554-0-0
Rs. 500-0-0

It is not known what is the
nature of these receipts and
to what heads they are ap-
plicable.

Total - 20,893-2-7

3. It is believed that the final
Estimate does not completely exhibit the
receipts from canal collections in this Presidency,
whose navigable canals are not confined to
the Districts of Godavari, Krishna and Madras,
as they are known to exist in the Mala-
bar District also. This circumstance was
noticed in my letter to Government No 2122
dated 21st November 1865 and recorded
in their Proceedings No 356 dated 24th
idem.
